As a Virginia resident and taxpayer, I support the expansion of Medicaid. Virginia taxpayers are paying for other states to take advantage of the federal money to expand Medicaid. We are sending about \$2 billion to Washington a year and receiving nothing in return. If we expand Medicaid, Virginia will see \$2.6 billion in 2015 alone returned to VA where it belongs. In addition, Medicaid expansion will boost the economy by creating 30,000 new jobs. I urge you to stand up for Virginians and take action to expand Medicaid.
