First Name - Marie

Last Name - Schum-Brady, M.D.

Organization Name - Health Choices, PLLC

Comment - I support Medicaid expansion in Virginia. As a doctor, we have a moral obligation to care for the poor and underserved. Virginia should step up and help take care of all the citizens of the great commonwealth of Virginia. I vote, and I also participate in local and statewide medical groups. I support the Medical Society's position on sound medicaid reform.
