First Name - Mark**Last Name** - Daugherty**Organization Name** - Virginia Tea Party Patriots Federation

Comment - I urge the MIRC Committee to oppose Medicaid expansion. The \$7 billion Medicaid budget is poised to grow at an unaffordable rate, supposedly reimbursed by a debt-ridden federal government. The Virginia taxpayer, Virginia Medicaid recipient, and other health care consumers outside Medicaid will be adversely affected by unaffordable and irresponsible expansion. First tackle Medicaid reform, and encourage more economic prosperity and individual responsibility through lower taxes and limited government in Virginia. Oppose Medicaid expansion.
