Dear Members of the MIRC Commission,

Your Commission is currently soliciting public comment on Medicaid expansion in Virginia.

Uninsured Virginians and health care providers across the Commonwealth are depending on Medicaid expansion to enable access to much needed care and alleviate mandatory cuts to provider rates and the health care safety net, as well as newly-imposed taxes and fees. Virginians will pay these taxes and providers will be cut regardless of whether Medicaid is expanded or not.

I support the expansion of Virginia's Medicaid program and request the Commission also endorse Medicaid expansion. Thank you.

Sincerely,

Mark Leonard
