Dear Medicaid Innovation and Reform Commission,

In the USA every person deserves to have medical care. There are thousands of hardworking families who will have no care if Medicaid is not expanded in Virginia. It is criminal to deny them this human right! How can we have a society of learners and workers if people are not well. It makes no sense. We all know that every system has flaws and is occasionally abused, but that is NOT an excuse for denying medical care to people in need.

I ask you to please support providing 400,000 Virginians the care they need.

Sincerely,
Marsha Bowen

Sincerely,
