Comment - Wednesday, 09/26/13, As the parent of a son diagnosed with a severe mental illness, I urge Medicaid expansion passage in Virginia. The Community Service Board in our locality, which is a rural area, is dependent on Medicaid/medicare to even exist in this locality. It is vital that our CSB continue to be funded by Medicaid and Medicare as the past 3 years 69% to 71% of our CSB's funding comes from Medicaid/medicare. With the public shootings even in elementary school, in the US, I do believe we need to fully (not frugally) fund our Community Service Boards in Virginia.
