Dear Members of the Medicaid Innovation and Reform Commission:

It is extremely important that Virginia participate in the Medicaid expansion. As a Christian I believe that caring for others means ensuring that all Virginians have access to quality and affordable health care. The Medicaid Expansion would cover 400,000 currently uninsured low-income Virginians who are one health crisis away from financial ruin. It is estimated that the expansion would bring 30,000 new health care jobs to Virginia. We must do what is right for our people and Commonwealth.

Thank you for your consideration.

Sincerely,
Mary Thomas
