First Name - Melanie

Last Name - Chambers

Organization Name - Founding Fathers Republican Women

Comment - Virginians neither want nor can afford the Obamacare mandate to expand Medicaid. The Federal Government can't afford it and will pass on the whole cost for it when they realize how VERY expensive it is. Virginia will be stuck with the whole, BIG bill! We need to cut entitlements not expand them! We need to make sure Illegal Immigrants are NOT receiving government monies, like Medicaid! We need to carefully check all applicants to see that they truly need assistance!
