First Name - Michael

Last Name - Catell

Organization Name -

Comment - Please protect the vulnerable and expand the Medicaid eligible population to 133% of the Federal Poverty level (a single adult making \$15,281 a year). Access to affordable health care should be available to all. Virginia currently ranks 48th in per capita contributions to Medicaid. Healthier Virginians mean overall lower healthcare costs across the state. Thank you for considering my perspective in this important matter. Sincerely,
Michael A. Catell
