Dear Medicaid Innovation and Reform Commission,

I've been disabled from work (SSDI) since 1992. I've always received \$50 or \$60 or \$80 too much income to qualify for full Medicaid benefits. But in Virginia, I must *spend-down* approx \$2000.00 over 6 months to receive benefits that MediCARE does NOT pay for! Yes, two thousand dollars(plus) over 6 months. That's about \$335 average per month because I have excess income of ~\$80!!!

That's some Very Fuzzy Math.

P L E A S Emake things FAIR!

Sincerely,

Nicole Drake
