Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

It makes no sense to refuse Medicaid for Virginians who are most likely unemployed, trying to feed and house their families. In fact, it's downright cruel. Please do the right thing for all of us, putting party aside. Perhaps if the legislatures in Washington and Richmond put their energies toward jobs bills and repairing our infrastructure instead of fighting endlessly or, in the case of VA, social issues, our economy would bounce back and less folks would need Medicaid.

Sincerely,

Patricia Wilson
