**First Name** - Patricia/Nicholas

**Last Name** - Veliotes

**Organization Name** - Personal

**Comment** - We respectfully urge the Commission to vote in favor of MEDICAID expansion. This would not benefit us since we are among the fortunate who are able to afford adequate medical insurance; this would benefit those who, for whatever reason, need this kind of help. Virginia has a proud past; lending a formal state helping hand to those in need would help ensure the Commonwealth's proud future. Thank you.
