Comment - I am 63 yrs. and I rely on Medicaid to pay for my meds. They stopped paying for one, which I need (I'm in stage 4 of kidney failure). I(as well as others)think that Medicaid should be expanded, not stopped! The other reason I'm writing is because I only make(from the government) less than \$700 a month- bills&rent come out of that so yes, I do need help with my medical bills! Please don't stop or cut back on Medicaid, there are too many elderly and disabled people that depend on it!
