First Name - Rachel

Last Name - Beneke

Organization Name -

Comment - Without expansion of Medicaid, there are just too many Virginians who will not have enough income to qualify for the ACA coverages. It is shameful that this state is known for its severe and punishing parameters for Medicaid coverage already. By turning away from this chance to access federal funds to expand Medicaid, the Old Dominion is turning its back on thousands, maybe hundreds of thousands, if its most vulnerable citizens, many of whom are proudly working for their inadequate incomes!
