Expansion of Medicaid Letter.pdf

Dear MIRC Commission,

I urge you to expand Medicaid in Virginia. Expansion will enable thousands of Virginians who suffer from mental illness to get the care they need. Sadly, lack of treatment can lead to self-harm, harm to others, and even death. Appropriate treatment, on the other hand, gives people a chance to lead more productive and satisfying lives. That is what I wish for members of our communities. Please expand Medicaid so that people in Virginia who need mental health care the most get it.

Respectfully,

Rebecca J. Grueneberger
