**Comment** - As a minister and counselor with at-risk youth and their families I daily witness the needs of many Virginia's families being unmet. Medicaid provides a much needed avenue for their health needs to be met. To expand services is crucial, to leave things as they are is to ignore the needs of thousands in our state. Medicaid Expansion would cover 400,000 currently uninsured, low-income Virginians who are one health crisis away from financial ruin. It is estimated that the expansion would bring 30,000 new health care jobs to Virginia. Sincerely, Rev. M. Mills
