Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

It is vital that the Medicaid expansion take place. I am sick and tired of paying out exorbitant hospital charges for people who use the emergency room for their doctor's office and who do not have health insurance. Make people responsible by giving them a doctor who accepts Medicaid payments and then make these folks pay the small copay required, Time for everybody to carry this financial load!

Sincerely,

Robert LoCicero
