First Name - Shirley**Last Name** - Black**Organization Name** - Virginia resident

Comment - No Medicaid expansion. Virginia can't afford it in the long run. I know the federal govt is supposed to pick up the tab temporarily but eventually it will be dumped on the Virginia tax payers. Also expanding Medicaid and adding more recipients will lower the care for those who actually need it. Wait times to see a doctor will increase and time spent with the doctor will decrease because of the increase in patients. No to the expansion of Medicaid.
