First Name - Susan

Last Name - Reilly

Organization Name - retired

Comment - Dear MIRC, Please support the expansion of Medicaid for the needy citizens of Virginia. I was fortunate enough to have a job that included health care coverage. Many people do not make enough to allow them to afford even the decreased costs of the ACA. We need a healthy work force as well as healthy children and families in order for them to be productive. Please pass the expansion of Medicaid. Thank you, Susan Reilly
