First Name - Susan

Last Name - Ross

Organization Name - Citizen

Comment - I strongly urge the Medicaid Innovation and Reform Commission to recommend Medicaid expansion. As a medical social worker, I see every day the tragic effects lack of adequate medical coverage has on the most vulnerable of our state. To deny these individuals the care they need denies those values we treasure most in our country---care, compassion, and kindness. The expansion is not only the right thing to do, in the long run, it will save taxpayers money. Thank you for your support.
