Dear Members of the MIRC Commission,

Medicaid expansion is fiscally responsible in order to keep tax dollars in Virginia, to avoid additional taxes and fees, and to preserve our health care system. However, it is equally -- if not more -- important to assure access to needed care for many uninsured Virginians and preserve Virginia's health care safety net.

Please support Medicaid expansion with system reforms that are now being put in place. These are essential services for Virginia and its citizens.

Sincerely,

Susan Ward
