**First Name** - Teresa

**Last Name** - Dean

**Organization Name** -

**About file** - I urge you to say no to Medicaid expansion in VA. This move would be disastrous for our state and for medical service providers. Many doctors refuse to accept Medicaid patients. We as taxpayers do not want to be on the hook for the huge cost once the federal government (as it usually does) cuts off funding. Please do not subject the taxpayers to this horrible idea.
