Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

If we want Virginia to prosper we must have not only a healthy work force but a healthy society. Healthy children learn better and become better citizens. Healthy parents produce and care better for their children. Unfortunately, the greed of the medical profession makes health care beyond the reach of too many of our citizens. Expanding medicaid will help remedy this and improve the health of all Virginians.

Sincerely,

Til Purnell
