Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

I am writing to urge you to expand Medicare in Virginia. Good health is absolutely essential to one's quality of life. The expansion will help those who need help the most, and will help them to be productive citizens. It will also help to remove patients from Emergency Rooms who have to wait until their need is critical in order to get some help there.

Sincerely,

Virginia Rovnyak
