Dear Medicaid Innovation and Reform Commission,

I am writing to ask you to expand health care in Virginia, now. This would be a wise move on your part. Not expanding health care will mean that persons who need health care will not have it, and they will need emergency room care -- which in the long run costs the hospital and in turn those who can afford health coverage. We do pay for it one way or another.

So, vote to expand health care. That will be a wise move.

Sincerely, Wendy J. Miller

Sincerely,

Wendy Miller
